W I T N E S S E T H:

WHEREAS the Lessee has agreed to purchase certain railroad equipment (hereinafter referred to collectively as the "Equipment" and individually "Item of Equipment") described in Schedule A attached hereto and made a part hereof from the manufacturer thereof identified in said Schedule (the "Manufacturer") for the purchase prices set forth in said Schedule A; and

WHEREAS the Lessee desires to lease the Equipment at the rentals and for the terms and upon the conditions hereinafter provided; and

WHEREAS the Lessor and the Lessee have heretofore entered into an Agreement to Acquire and Lease dated as of May 12, 1971 (the "Acquisition Agreement") providing for the acquisition by the Lessor from said manufacturer of the Equipment and the lease thereof to the Lessee subject to the delivery of the Equipment by said manufacturer and acceptance thereof by the Lessee, as lessee, and the completion of arrangements by the Lessor to finance the acquisition of the Equipment on or before July 31, 1971; and

WHEREAS the Acquisition Agreement provides that in the event the financing by the Lessor of its acquisition of any Items of Equipment is not completed as contemplated in the Acquisition Agreement, the Lessee is required to purchase any Items of Equipment which the Lessor may have theretofore purchased; and

WHEREAS the Secured Party desires to provide financing to the Lessor as contemplated by the Acquisition Agreement under the terms and provisions hereof;

NOW, THEREFORE, in consideration of the premises and of the sums to be paid and the covenants hereinafter provided to be kept and performed, the parties hereto agree as follows:

PART I

Provisions Relating to the Lease and Delivery of the Equipment, Rentals Reserved and Duties and Obligations of the Lessee in respect of the Equipment. This Part I is hereinafter for convenience sometimes referred to as the "Lease", and includes Sections 1 through 20 of this Agreement.

SECTION 1. MANUFACTURE AND DELIVERY OF EQUIPMENT.

1.1. Intent to Lease. As more fully set forth in the preambles hereto and the Acquisition Agreement referred to therein the Lessor is acquiring the Equipment, and upon delivery of each Item of Equipment by the Manufacturer thereof, the Lessor shall lease and let such Item of Equipment to the Lessee and the Lessee shall hire such Item of Equipment from the Lessor for the rental and on and subject to the terms and conditions herein set forth.

1.2. Certificates of Acceptance. Upon delivery of each Item of Equipment by the Manufacturer thereof the Lessee will inspect such Item of Equipment and if such Item of Equipment tendered for delivery appears to meet the specifications, the Lessee will accept delivery thereof and execute and deliver to such Manufacturer and Lessor duplicate Certificates of Acceptance (the "Certificates of Acceptance"), substantially in the form of Schedule B attached hereto and made a part hereof whereupon such Item shall for all purposes be deemed to have been delivered to and accepted by the Lessee and shall be subject thereafter to all of the terms and conditions of this Agreement.

1.3. Acceptance of Equipment. The Lessee's execution and delivery to the Lessor of the Certificates of Acceptance with respect to each Item of Equipment shall conclusively establish that each Item of Equipment is acceptable to and accepted by the Lessee hereunder, notwithstanding any defect with respect to design, manufacture, condition or in any other respect, and that each Item of Equipment is in good order and condition and appears to conform to the specifications applicable thereto and United States Department of Transportation and all other foreign or domestic governmental agency requirements and specifications, if any. The Lessee represents that it has no knowledge of any such defect.

SECTION 2. RENTS AND PAYMENT DATES.

2.1. Rent for Equipment. The Lessee agrees to pay the Lessor Periodic Rent for each Item of Equipment leased hereunder in thirty (30) semiannual installments of Periodic Rent each payable in advance in the amount provided for each Item of Equipment in Schedule A hereto.

2.2. Rent Payment Dates. (a) The first installment of Periodic Rent for all Items of Equipment delivered to the Lessee hereunder shall be due and payable on the earlier of (i) the date of payment of the manufacturer's invoice for the final Item of Equipment or (ii) July 31, 1971. The second through thirtieth installments of Periodic Rent for each Item of Equipment shall be due and payable semiannually commencing six calendar months after the First Periodic Rent payment date for such Item.

SECTION 4. OWNERSHIP AND MARKING OF THE EQUIPMENT.

4.1. Retention of Title. The Lessor, as between the Lessor and the Lessee, shall and hereby does retain full legal title to the Equipment notwithstanding the delivery thereof to and the possession and use thereof by the Lessee.

4.2. Duty to Number and Mark Equipment. The Lessee will cause each Item of Equipment to be kept numbered with its road number as set forth in Schedule A and will keep and maintain, plainly, distinctly, permanently and conspicuously marked by a plate or stencil printed in contrasting color upon each side of each Item of Equipment in letters not less than one-half inch in height as follows:

"Leased from United States Leasing International, Inc. as Agent for Owner-Trustee and subject to a Security Interest Recorded with the I. C. C. and the Registrar General of Canada"

with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect the title of the Lessor to such Item of Equipment, its rights and the rights of the Secured Party under this Agreement. The Lessee will not place any such Item of Equipment in operation or exercise any control or dominion over the same until required legend shall have been so marked on both sides thereof and will replace promptly any such names and word or words which may be removed, defaced or destroyed. The Lessee will not change the road number of any Item of Equipment except with the consent of the Lessor and in accordance with a statement of new road numbers to be substituted therefor, which consent and statement previously shall have been filed with the Lessor by the Lessee and filed, recorded or deposited in all public offices where this Agreement shall have been filed, recorded or deposited.

4.3. Prohibition Against Certain Designations. Except as above provided, the Lessee will not allow the name of any person, association or corporation to be placed on the Equipment as a designation that might be interpreted as a claim of ownership; provided, however, that the Lessee may cause the Equipment to be lettered with the names or initials or other insignia customarily used by the Lessee or its affiliates on railroad equipment used by it of the same or a similar type for convenience of identification.

4.4. Indemnification for Improper Marking. The Lessee shall indemnify the Lessor, the Agent, the Trustor and the Secured Party and its respective successors and assigns against any liability, loss or expense incurred by any of them as a result of the aforesaid marking of the Equipment with such name, initials or insignia.

SECTION 5. DISCLAIMER OF WARRANTIES.

AS BETWEEN LESSOR AND LESSEE, LESSOR LEASES THE EQUIPMENT, AS-IS WITHOUT WARRANTY OR REPRESENTATION EITHER EXPRESS OR IMPLIED, AS TO (A) THE FITNESS OR MERCHANTABILITY OF ANY ITEM OR ITEMS OF EQUIPMENT, (B) THE LESSOR'S TITLE THERETO, (C) THE LESSEE'S RIGHT TO THE QUIET ENJOYMENT THEREOF, OR (D) ANY OTHER MATTER WHATSOEVER, IT BEING AGREED THAT ALL SUCH RISKS, AS BETWEEN THE LESSOR AND THE LESSEE, ARE TO BE BORNE BY THE LESSEE. The Lessor hereby appoints and constitutes the Lessee its agent and attorney-in-fact during the term of this Lease to assert and enforce, from time to time, in the name and for the account of the Lessor and the Lessee, as their interests may appear, but in all cases at the sole cost and expense of the Lessee, whatever claims and rights the Lessor may have as owner of the Equipment against any manufacturers or contractors in respect thereof.

SECTION 6. LESSEE'S INDEMNITY.

6.1. Scope of Indemnity. The Lessee shall defend, indemnify and save harmless the Lessor, the Agent, the Trustor and the Secured Party and their respective successors and assigns from and against:

(a) any and all loss or damage of or to the Equipment, usual wear and tear excepted, and

(b) any claim, cause of action, damages, liability, cost or expense (including counsel fees and costs in connection therewith) which may be incurred in any manner by or for the account of any of them (i) relating to the Equipment or any part thereof, including without limitation the construction, purchase, delivery, installation, ownership, leasing or return of the Equipment or as a result of the use, maintenance, repair, replacement, operation or the condition thereof (whether defects are latent or discoverable by the Lessor or by the Lessee), except counsel fees or other costs or expenses incurred by the Agent, Trustor, Lessor or the Secured Party with respect to their initial participation in this transaction, including counsel fees, costs and expenses incurred in the execution of all necessary documents, (ii) by reason or as the result of any act or omission of the Lessee for itself or as agent or attorney-in-fact for the Lessor hereunder, (iii) as a result of claims for patent infringements, or (iv) as a result of claims for Lessee's negligence or strict liability in tort.

6.2. Continuation of Indemnities and Assumptions. The indemnities and assumptions of liability in this Section 6 contained shall continue in full force and effect notwithstanding the termination of this Agreement, or the termination of the term hereof in respect of any one or more Items of Equipment, whether by expiration of time, by operation of law or otherwise. The Lessee shall be entitled to control, and shall assume full responsibility for, the defense of such claim or liability.

6.3. Termination of Certain Indemnities and Assumptions. Notwithstanding anything contained in this Section 6, the Lessee shall not be obligated to indemnify or assume liability in respect of an Item of Equipment for any claim, cause of action, damages or liability to the extent that such claim, cause of action, damages or liability arises solely as a result of a situation or event occurring after such Item of Equipment has been returned to the Lessor pursuant to Section 13 or 15 hereof or after this Agreement with respect to such Item of Equipment has otherwise terminated; provided, however, that such indemnities and assumption of liability shall not apply in respect of any matters referred to in subsection (a) or clause (i) or (ii) of subsection (b) of Section 6.1 hereof, occurring after the termination of this Agreement, except for any such matters occurring after the termination arising in connection with the Lessee's assembling, delivering, storing or transporting of the Equipment as provided in Section 13 or as the case may be, 15, hereof. The foregoing does not guarantee a residual value.

SECTION 7. RULES, LAWS AND REGULATIONS.

The Lessee agrees to comply with all governmental laws, regulations, requirements and rules (including the rules of the United States Department of Transportation and the current Interchange Rules and supplements thereto of the Mechanical Division Association of American Railroads) with respect to the use, maintenance and operation of each Item of Equipment subject to this Agreement. In case any equipment or appliance is required to be installed on such Item of Equipment in order to comply with such laws, regulations, requirements and rules, the Lessee agrees to make such changes, additions and replacements at its own expense.

SECTION 8. USE AND MAINTENANCE OF EQUIPMENT.

The Lessee shall use the Equipment only in the manner for which it was designed and intended and so as to subject it only to ordinary wear and tear. The Lessee shall, at its own cost and expense, maintain and keep the Equipment in good order, condition

and repair, ordinary wear and tear excepted, suitable for use in interchange. The Lessee shall not modify any Item of Equipment without the written authority and approval of the Lessor which shall not be unreasonably withheld. Any parts installed or replacements made by the Lessee upon any Item of Equipment (except such as are not required pursuant to Section 7 hereof and can be removed without damage to, or in any way affecting or impairing either the originally intended function or the use of, such Item of Equipment) shall be considered accessions to such Item of Equipment and title thereto shall be immediately vested in the Lessor, without cost or expense to the Lessor.

SECTION 9. LIENS ON THE EQUIPMENT.

The Lessee shall pay or satisfy and discharge any and all claims against, through, or under the Lessee and its successors or assigns which, if unpaid, might constitute or become a lien or a charge upon the Equipment, and any liens or charges which may be levied against or imposed upon any Item of Equipment as a result of the failure of the Lessee to perform or observe any of its covenants or agreements under this Lease, but the Lessee shall not be required to pay or discharge any such claims so long as it shall, in good faith and by appropriate legal proceedings contest the validity thereof in any reasonable manner which will not affect or endanger the title and interest of the Lessor to the Equipment. The Lessee's obligations under this Section 9 shall survive termination of the Lease.

SECTION 10. FILING, PAYMENT OF FEES AND TAXES.

10.1. Filing. Prior to the delivery and acceptance of the first Item of Equipment, the Lessor will at the sole cost and expense of the Lessee, make suitable arrangements to have this Agreement deposited with the Registrar General of Canada pursuant to Section 148 of the Railway Act of Canada and to publish notice of such deposit in the Canada Gazette pursuant to said Section 148 and duly filed, registered or recorded in conformity with Section 20c of the Interstate Commerce Act and in such other places within or without Canada and the United States as the Lessor may reasonably require for the protection of its title or the security interest of the Secured Party granted by the Lessor pursuant to Section 16.1 hereof. The Lessee will, from time to time, do and perform any other act and will execute, acknowledge, deliver, file, register and record (and will re-file, re-register, or re-record whenever required) any and all further instruments required by law or reasonably requested by the Lessor, for the purpose of protecting the Lessor's title to,

or the Secured Party's security interest in, the Equipment to the satisfaction of the Lessor's or Secured Party's counsel or for the purpose of carrying out the intention of this Agreement, and in connection with any such action, will deliver to the Lessor proof of such filings and an opinion of the Lessee's counsel that such action has been properly taken. The Lessee will pay all costs, charges and expenses incident to any such filing, re-filing, registering, re-registering, recording and re-recording of any such instruments or incident to the taking of such action.

10.2. Payment of Taxes. The Lessee, or the Lessor at the Lessee's expense, shall report, pay and discharge when due all license and registration fees, assessments, sales, use and property taxes, gross receipts taxes arising out of receipts from use or operation of Equipment, and other taxes, fees and governmental charges similar or dissimilar to the foregoing (excluding any net income tax, provided that the Lessee agrees to pay that portion of any such net income tax which is in direct substitution for, or which relieves the Lessee from, a tax which the Lessee would otherwise be obligated to pay under the terms of this Section), together with any penalties or interest thereon, imposed by any province, state, federal or local government upon any Item of Equipment and whether or not the same shall be assessed against or in the name of the Lessor, the Agent, the Lessee, or the Trustor; provided, however, that the Lessee shall not be required to pay or discharge any such tax or assessment (i) so long as it shall, in good faith and by appropriate legal proceedings, contest the validity thereof in any reasonable manner which will not affect or endanger the title and interest of the Lessor to the Equipment; however, the Lessee shall reimburse the Lessor for any damages or expenses resulting from such failure to pay or discharge, or (ii) as to assessments against or in the name of anyone other than the Lessee, until 20 days after written notice thereof shall have been given to the Lessee.

SECTION 11. PAYMENT FOR CASUALTY OCCURRENCE FOR EQUIPMENT.

11.1. Duty of Lessee to Notify Lessor. In the event that any Item of Equipment shall be or become lost, stolen, destroyed, or, in the opinion of the Lessee, irreparably damaged or damaged beyond economic repair, or shall be requisitioned or taken over by any governmental authority under the power of eminent domain or otherwise during the term of this Lease (any such occurrence, except for any requisition which by its terms does not exceed the remaining term of this Lease, being hereinafter called a Casualty Occurrence), the Lessee shall promptly and fully (after it has knowledge of such Casualty Occurrence) inform the Lessor in regard thereto.

11.2. Sum Payable for Casualty Loss. When the aggregate Casualty Value (as herein defined) of Items of Equipment having suffered a Casualty Occurrence (exclusive of Items of Equipment having suffered a Casualty Occurrence with respect to which a payment shall have been made to the Lessor pursuant to this Section 11) shall exceed \$75,000, the Lessee, on the next succeeding Rent Payment Date, shall pay to the Lessor a sum equal to the Casualty Value of such Item or Items of Equipment as of the date of such payment; provided that notwithstanding the foregoing the Lessee shall on the last Rent Payment Date of each calendar year pay to Lessor a sum equal to the Casualty Value of any Item or Items of Equipment which have suffered a casualty occurrence during such calendar year or any prior year for which no payment has previously been made to the Lessor pursuant to this Section 11.2.

11.3. Rent Termination. Upon (and not until) payment of the Casualty Value in respect of any Item or Items of Equipment, the obligation to pay rent for such Item or Items of Equipment (including the Periodic Rent installment due on the Casualty Value payment date) shall terminate, but the Lessee shall continue to pay rent for all other Items of Equipment. The Lessee shall pay when due all rent payments as to an Item or Items due prior to the date on which the Casualty Value thereof is payable.

11.4. Disposition of Equipment. The Lessee shall, as agent for the Lessor, dispose of such Item or Items of Equipment as soon as it is able to do so for the best price obtainable. Any such disposition shall be on an "As-Is", "Where-Is" basis without representation or warranty, express or implied. As to each separate Item of Equipment so disposed of the Lessee may retain all amounts of such price plus any insurance proceeds and damages received by the Lessee by reason of such Casualty Occurrence up to the Casualty Value attributable thereto and shall remit the excess, if any, to the Lessor. In disposing of such Item or Items of Equipment, the Lessee shall take such action as the Lessor shall reasonably request to terminate any contingent liability which the Lessor might have arising after such disposition from or connected with such Item or Items of Equipment.

11.5. Casualty Prior to Commencement of Periodic Rent. If the Lessee shall have notified the Lessor that an Item or Items of Equipment have suffered a Casualty Occurrence prior to the commencement of Periodic Rent hereunder with respect thereto, the date of such Casualty Occurrence for such Item or Items shall be deemed to be one day after the due date of the first installment of Periodic Rent.

11.6. Casualty Value. The Casualty Value of each Item of Equipment shall be an amount determined as of the date the Casualty Value is paid as provided in this Section 11 (and not the date of the Casualty Occurrence) equal to that percentage of the original cost to the Lessor of such Item of Equipment as set forth in the Schedule of Casualty Value attached hereto as Schedule C.

11.7. Risk of Loss. The Lessee shall bear the risk of and, except as hereinabove in this Section 11 provided, shall not be released from its obligations hereunder in the event of any Casualty Occurrence to any Item of Equipment after the date hereof.

11.8. Eminent Domain. In the event that during the term of this Lease the use of any Item of Equipment is requisitioned or taken by any governmental authority under the power of eminent domain or otherwise for a period which does not exceed the remaining term of this Lease, the Lessee's duty to pay rent shall continue for the duration of such requisitioning or taking. The Lessee shall be entitled to receive and retain for its own account all sums payable for any such period by such governmental authority as compensation for requisition or taking of possession to an amount equal to the rent paid or payable hereunder for such period, and the balance, if any, shall be payable to and retained by the Lessor as its sole property.

SECTION 12. ANNUAL REPORTS.

12.1. Duty of Lessee to Furnish. On or before April 1 in each year, commencing with the year 1972 and provided a request therefor is made by Lessor or the Secured Party, the Lessee will furnish to the Lessor or the Secured Party an accurate statement, as of the end of the preceding calendar year (a) showing the amount, description and numbers of the Items of Equipment then leased hereunder, the amount, description and numbers of all Items of Equipment that may have suffered a Casualty Occurrence during the preceding 12 months or longer period between successive statements (or since the date of this Lease, in the case of the first such statement), and such other information regarding the condition or repair of the Equipment as Lessor may reasonably request, and (b) stating that, in the case of all Equipment repainted during the period covered by such statement, the markings required by Section 4.2 hereof shall have been preserved or replaced.

12.2. Lessor's Inspection Rights. The Lessor or the Secured Party shall have the right, at its sole cost and expense, by its authorized representative, to inspect the Equipment and the Lessee's records with respect thereto, at such times as shall be reasonably necessary to confirm to the Lessor or its assigns the existence and proper maintenance thereof during the continuance of this Lease.

SECTION 13. RETURN OF EQUIPMENT UPON EXPIRATION OF TERM.

Duty of Lessee to Return Equipment. Upon the expiration of the term of this Lease with respect to any Item of Equipment, the Lessee will, at its own cost and expense, at the request of the Lessor, deliver possession of such Item of Equipment to the Lessor upon such storage tracks of the Lessee as the Lessor may designate, or in the absence of such designation, as the Lessee may select, and permit the Lessor to store such Item of Equipment on such tracks for a period not exceeding 90 days and transport the same at any time within such 90 days period to any reasonable place on the lines of railroad operated by the Lessee or to any connecting carrier for shipment, all as directed by the Lessor upon not less than 30 days' written notice to Lessee. All movement and storage of each such Item is to be at the risk and expense of the Lessee. During any such storage period the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of any such Item, to inspect the same. The assembling, delivery, storage and transporting of the Equipment as hereinbefore provided are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee to so assemble, deliver, store and transport the Equipment.

SECTION 14. DEFAULT.

14.1. Events of Default. If, during the continuance of this Lease, one or more of the following events ("Events of Default") shall occur:

(a) Default shall be made in the payment of any part of the rental provided in Section 2 hereof and such default shall continue for ten days after written notice from the Lessor to the Lessee of such default and demand the same be remedied; or

(b) The Lessee shall make or permit any unauthorized assignment or transfer of this Lease, or of possession of the Equipment, or any portion thereof, and shall fail or refuse to cause such assignment or transfer to be cancelled by agreement of all parties having any interest therein and to recover possession of such Equipment within 30 days after written notice from the Lessor to the Lessee demanding such cancellation and recovery of possession; or

(c) Default shall be made in the observance or performance of any other covenant, condition, agreement, representation or warranty on the part of the Lessee contained herein, and such default shall continue for 30 days after written notice from the Lessor to the Lessee, specifying the default and demanding the same to be remedied; or

(d) A petition for reorganization under Section 77 of the Bankruptcy Act, as now constituted or as said Section 77 may be hereafter amended, shall be filed by or against the Lessee; and, if instituted against the Lessee, is consented to or is not dismissed within 60 days after such petition shall have been filed, unless all the obligations of the Lessee under this Lease shall have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees appointed in such proceedings or otherwise given a status comparable to obligations incurred by such a trustee or trustees within 30 days after such appointment, if any, or 60 days after such petition shall have been filed, whichever shall be earlier; or

(e) Any other proceeding shall be commenced by or against the Lessee for any relief under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustment of the obligations of the Lessee hereunder), and, if instituted against the Lessee, are consented to or are not dismissed within 60 days after such proceedings shall have been commenced, unless all the obligations of the Lessee under this Lease shall have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees appointed in such proceedings or otherwise given a status comparable to obligations incurred by such a trustee or trustees within 30 days after such appointment, if any, or 60 days after such proceeding shall have been commenced, whichever is earlier;

then in any such case the Lessor, at its option, may:

(1) Proceed by appropriate court action or actions, either at law or in equity, to enforce performance by the Lessee of the applicable covenants of this Lease or to recover damages for the breach thereof; or

(2) By notice in writing to the Lessee, terminate the Lessee's rights and privileges under this Agreement, whereupon all right of the Lessee to the use of the Equipment shall absolutely cease and terminate as though this Agreement had never been made, but the Lessee shall remain liable as hereinafter provided; and thereupon, the Lessor may by its agents enter upon the premises of the Lessee or other premises where any of the Equipment may be located and take possession of all or any of such Equipment and thenceforth hold, possess and enjoy the same free from any right of the Lessee, or its successors or assigns, to

use the Equipment for any purpose whatever, but the Lessor, shall, nevertheless, have a right to recover from the Lessee any and all amounts which may have accrued to the date of such termination (computing the rental for any number of days less than a full rental period by a fraction of which the numerator is such accrued number of days and the denominator is the total number of day in such full rental period) and also to recover forthwith from the Lessee (i) as damages for loss of the bargain and not as a penalty, a sum, with respect to each Item of Equipment, which represents the excess of the present worth, at the time of such termination, of all rentals for such Item which would otherwise have accrued hereunder from the date of such termination to the end of the term of this Agreement over the then present worth of the then fair rental value of such Item for such period computed by discounting from the end of such term to the date of such termination rentals which the Lessor reasonably estimates to be obtainable for the use of the Item during such period, such present worth to be computed in each case on a basis of a 5% per annum discount, compounded semiannually from the respective dates upon which rentals would have been payable hereunder had this Lease not been terminated, and (ii) any damages and expenses including reasonable attorney's fees, in addition thereto which the Lessor shall have sustained by reason of the breach of any covenant or covenants of this Lease, other than for the payment of rent.

14.2. Cumulative Remedies. The remedies in this Lease provided in favor of the Lessor shall not be deemed exclusive, but shall be cumulative and shall be in addition to all other remedies in its favor existing at law or in equity. The Lessee hereby waives any mandatory requirements of law, now or hereafter in effect, which might limit or modify any of the remedies herein provided, to the extent that such waiver is permitted by law. The Lessee hereby waives any and all existing or future claims of any right to assert any off-set against the rent payments due hereunder, and agrees to make the rent payments regardless of any off-set or claim which may be asserted by the Lessee on its behalf in connection with the lease of the Equipment.

14.3. Lessor's Failure to Exercise Rights. The failure of the Lessor to exercise the rights granted it hereunder upon any occurrence of any of the contingencies set forth herein shall not constitute a waiver of any such right upon the continuation or recurrence of any such contingencies or similar contingencies.

SECTION 15. RETURN OF EQUIPMENT UPON DEFAULT.

15.1. Lessee's Duty to Return. If the Lessor shall terminate this Lease pursuant to Section 14 hereof, the Lessee shall forthwith deliver possession of the Equipment to the Lessor.

For the purpose of delivering possession of any Item of Equipment to the Lessor as above required, the Lessee shall at its own cost, expense and risk (except as hereinafter stated):

(a) Forthwith place such Equipment in such reasonable storage place on the Lessee's lines of railroad as the Lessor may designate or, in the absence of such designation, as the Lessee may select;

(b) Permit the Lessor to store such Equipment in such reasonable storage place on the Lessee's lines of railroad for a period not exceeding 90 days at the risk of the Lessee; and

(c) Transport the Equipment, at any time within such 90 days' period, to any place on the lines of railroad operated by the Lessee or to any connecting carrier for shipment, all as the Lessor may reasonably direct upon not less than 30 days' written notice to the Lessee.

15.2. Intention of Parties. The assembling, delivery, storage and transporting of the Equipment as hereinbefore provided are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises, the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so as to assemble, deliver, store and transport the Equipment.

15.3. Lessor Appointed Lessee's Agent. Without in any way limiting the obligations of the Lessee under the foregoing provisions of this Section 15, the Lessee hereby irrevocably appoints the Lessor as the agent and attorney of Lessee, with full power and authority, at any time while the Lessee is obligated to deliver possession of any Items of Equipment to Lessor, to demand and take possession of such Item in the name and on behalf of Lessee from whosoever shall be at the time in possession of such Item.

SECTION 16. ASSIGNMENTS BY LESSOR AND LESSEE: USE AND POSSESSION.

16.1. DIVISION I - EQUIPMENT COLLATERAL

The Equipment described in Schedule A hereto together with all accessories, equipment parts and appurtenances appertaining or attached to any such Items of Equipment whether now owned or hereafter acquired, and all substitutions, renewals and replacements of and additions, improvements, accessions and accumulations to any and all of such Items of Equipment together with all the rents, issues, income, profits and avails therefrom, including any proceeds of the sale of such Items of Equipment pursuant to Section 6 of the Acquisition Agreement.

SUBJECT, HOWEVER, in the case of all such mortgages and grants, to (a) the right, title and interest of the Lessee under this Agreement, and (b) the lien of current taxes and assessments not in default, or, if delinquent, the validity of which is being contested in good faith.

TO HAVE AND TO HOLD the Collateral granted to the Secured Party, its successors and assigns, forever; provided always, however, that these presents are upon the express condition that if the Lessor shall pay or cause to be paid all the indebtedness hereby secured and shall observe, keep and perform all the terms and conditions, covenants and agreements in Part II of this Agreement and in the Loan Agreement and the Notes contained, then these presents and the estate hereby granted and conveyed shall cease and this Agreement shall become null and void as between the Lessor and the Secured Party, otherwise to remain in full force and effect.

The rental and other sums payable by the Lessee which are the subject matter of the mortgage and assignment to the Secured Party as provided by this Section shall be paid to the Secured Party. Without limiting the foregoing, the Lessee further acknowledges and agrees that (i) the rights of the Secured Party in and to the sums payable by the Lessee under any provisions of this Agreement shall not be subject to any abatement whatsoever, and shall not be subject to any defense, set-off, counterclaim or recoupment whatsoever whether by reason of or defect in Lessor's title, or any interruption from whatsoever cause (other than from a wrongful act of the Secured Party) in the use, operation or possession of the Equipment or any part thereof, or any damage to or loss or destruction of the Equipment or any part thereof, or by reason of any other indebtedness or liability, howsoever and whenever arising, of the Lessor to the Lessee or to any other person, firm or corporation or to any governmental authority or for any cause whatsoever, it being the intent hereof that, except in the event of a wrongful act on the part of the Secured Party, the Lessee shall be unconditionally and absolutely obligated to pay the Secured Party all of the rents and other sums which are the subject matter of the mortgage and assignment to the Secured Party as provided for by this Section, and (ii) the Secured Party shall have the sole right to exercise all rights, privileges and remedies (either in its own name or in the name of the Lessor for the use and benefit of the Secured Party) which by the terms of this Agreement are permitted or provided to be exercised by the Lessor including but not limited to (a) the right to make all waivers and agreements, and (b) the right to give all notices, consents and releases, and (c) the right to take such action upon an Event of Default referred to in Section 14.1 hereof as shall be permitted by the terms of this Agreement or by law.

16.2. Lessee's Rights to the Equipment. So long as the Lessee shall not be in default under this Agreement, the Lessee shall be entitled to the possession and use of the Equipment in accordance with the terms of this Agreement, but, without the prior written consent of the Lessor, the Lessee shall not assign, transfer or encumber its leasehold interest under this Agreement in any of the Equipment (except to the extent that the provisions of any mortgage now or hereafter created on any of the liens of railroad of the Lessee may subject such leasehold interest to the lien thereof). The Lessee shall not, without the prior written consent of the Lessor, part with the possession or control of, or suffer or allow to pass out of its possession or control, any of the Equipment, except to the extent permitted by the provisions of Sections 16.3, 16.4 or 16.5 hereof.

16.3. Use and Possession on Lines Other Than Lessee's. So long as the Lessee shall not be in default under this Agreement, the Lessee shall be entitled to the possession of the Equipment and to the use thereof by the Lessee or by any affiliated corporation upon the lines of railroads owned or operated by it or any such corporation (either alone or jointly) or by any corporation, a majority of whose voting stock (i.e. having ordinary voting power for the election of a majority of its Board of Directors) is owned directly or indirectly by the Lessee or upon lines of railroads over which the Lessee or any such corporation has trackage or other operating rights or over which equipment of the Lessee or any such corporation is regularly operated pursuant to contract or upon connecting and other railroads in the usual interchange of traffic and to permit the sub-letting, or lease temporarily or to permit the emergency use by other parties of any Item of Equipment in the normal course of business, but only upon and subject to all the terms and conditions of this Agreement. No assignment, sublease or interchange entered into by the Lessee hereunder shall relieve the Lessee of any liability or obligations hereunder which shall be and remain those of a principal and not a surety.

16.4. Merger or Consolidation of Lessee. Nothing in this Section 16 shall be deemed to restrict the right of Lessee to assign or transfer its leasehold interest under this Agreement in the Equipment or possession of the Equipment to any corporation (which shall have duly assumed the obligations hereunder of Lessee) into or with which the Lessee shall have become merged or consolidated or which shall have acquired the property of Lessee as an entirety or substantially as an entirety.

16.5. Sublease. Nothing in this Section 16 shall be deemed to restrict the right of the Lessee to sublease the Equipment to any affiliated corporation of the Lessee provided such corporation is at the time a domestic railroad corporation incorporated under the laws of any state of The United States of America and

subject to Part I of the Interstate Commerce Act. No such sublease shall relieve the Lessee of any liability or obligation hereunder which shall be and remain those of a principal and not a surety.

SECTION 17. REPRESENTATIONS AND WARRANTIES.

The Lessor and the Agent each for itself represent and warrant as follows:

(a) On the delivery date for each Item of Equipment the Lessor shall have such title thereto as it received from the manufacturer or supplier thereof.

(b) Any sale, assignment, transfer, mortgage or other disposition which the Lessor or the Agent may make of this Agreement or any Item of Equipment covered thereby, whether prior or subsequent to execution and delivery thereof, shall be made expressly subject to the terms and provisions of this Agreement and all rights of the Lessee thereunder.

(c) Neither the Lessor nor the Agent have created nor will they create any claim, lien or encumbrance against any Item of Equipment so as to interfere with or impair

(i) the Lessee's possession and use of such Item of Equipment in accordance with the terms of this Agreement; or

(ii) the title to any Item of Equipment which may be transferred or conveyed to the Lessee under other provisions of this Agreement.

SECTION 18. OPINIONS OF COUNSEL FOR LESSEE AND LESSOR.

18.1. Opinion of Counsel for Lessee. Concurrently with the delivery and acceptance of the first Item of Equipment hereunder, the Lessee will deliver to the Lessor five counterparts of the written opinion of counsel for the Lessee addressed to the Lessor, the Agent and to the Secured Party to the effect that:

(a) The Lessee is a corporation legally incorporated and validly existing, in good standing, under the laws of Michigan;

(b) The Lessee has the corporate or other power and authority to own its property and carry on its business as now being conducted and is duly qualified to do business as a foreign corporation in all states in which such qualification is necessary to carry out the terms of the Agreement;

(c) This Agreement and the Acquisition Agreement have been duly authorized, executed and delivered by the Lessee and constitute the valid, legal and binding agreements of the Lessee enforceable in accordance with their respective terms subject to applicable bankruptcy, reorganization, insolvency and moratorium laws from time to time in effect;

(d) Once this Agreement is filed and recorded with the Interstate Commerce Commission pursuant to Section 20c of the Interstate Commerce Act and deposited in the office of the Registrar-General of Canada and upon the giving of notice of such deposit in the Canada Gazette in accordance with Section 148 of the Railway Act of Canada, no other filing, recording or depositing or notices in respect thereof is necessary to protect the Lessor's title to the Equipment in the United States of America and Canada;

(e) No approval, consent or withholding of objection is required from any public regulatory body with respect to the entering into or performance of the Agreement to Acquire and Lease or this Agreement;

(f) The execution and delivery by Lessee of this Agreement and the Acquisition Agreement do not violate any provision of any law, any order of any court or governmental agency, the Charter or By-laws of the Lessee, or any indenture, agreement, or other instrument to which Lessee is a party or by which it, or any of its property is bound, and will not be in conflict with, result in the breach of, or constitute (with due notice and/or lapse of time) a default under any indenture, agreement, or other instrument, or result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever upon any of the property or assets of Lessee, except as contemplated and permitted hereby; and

(g) As to any other matters which Lessor or the Secured Party shall reasonably request.

Special Counsel for Lessor. Concurrently with the delivery of the opinion of counsel for the Lessee as provided in Section 18.1 hereof, the Lessor will deliver to the Lessee five counterparts of the written opinion of General Counsel for the Agent and special counsel for the Lessor, in scope and substance satisfactory to the Lessee with respect to the matters set forth in (a), (b), (c) and (f) of such Section 18.1 as such matters may appropriately pertain to the Lessor, the Agent or both of them.

SECTION 19. INTEREST ON OVERDUE RENTALS AND AMOUNTS PAID BY LESSOR.

Anything to the contrary herein contained notwithstanding any nonpayment of rentals due hereunder, or amounts expended by the Lessor on behalf of the Lessee, shall result in the obligation on the part of the Lessee to pay also an amount equal to 9.625% (or the lawful rate, whichever is less) of the overdue rentals and amounts expended for the period of time during which they are overdue or expended and not repaid.

SECTION 20. OPTION TO PURCHASE.

20.1. Right of Lessee to Purchase. Provided that the Lessee is not in default, Lessee shall have the right to purchase all but not less than all of the Items of Equipment then leased hereunder at the expiration of the original lease term at a price equal to the "fair market value" (as defined). The Lessee shall give the Lessor written notice 180 days prior to the end of the original lease term of its election to exercise the purchase option provided for in this Section. Payment of the option price shall be made at the place of payment specified in Section 2 hereof in United States funds there current against delivery of a bill of sale transferring and assigning to the Lessee all right, title and interest of the Lessor in and to the Equipment and containing a warranty against liens or claims of persons claiming by, through or under the Lessor except liens and claims which the Lessee assumed or is obligated to discharge under the terms of the Agreement. The Lessor shall not be required to make any representation or warranty as to the condition of the Equipment or any other matters.

20.2. Fair Market Value. The "fair market value" shall be such amount as is mutually agreed upon by the Lessor and the Lessee; provided that if the Lessor and the Lessee are unable to agree upon the fair market value of the Equipment within 30 days after receipt by the Lessor of the notice of the Lessee's election to exercise the purchase option, the fair market value shall be determined by an appraiser selected by mutual agreement of the Lessor and the Lessee. If the Lessor and the Lessee are not able to agree upon an appraiser, or if the fair market value is not so determined within 90 days after receipt by the Lessor of the Lessee's election to purchase, the same shall be determined by American Appraisal Company. The fair market value as finally determined shall bear interest for the period, if any, from the date of expiration of the lease term to the date of payment at the rate of 8.625% per annum.

20.3. Return of Equipment. Unless the Lessee has given the Lessor 180 days notice as required in connection with exercise of the foregoing options, all the Equipment then leased hereunder shall be returned to the Lessor in accordance with Section 13 hereof.

20.4. Continuation of Certain Provisions. Notwithstanding any election of the Lessee to purchase, the provisions of Section 11 hereof shall continue in full force and effect until the date of purchase and the passage of ownership of the Equipment purchased by the Lessee upon the date of purchase unless the purchase price has been agreed upon by the parties pursuant to this Section 20, in which event such purchase price shall govern.

PART II

Provisions relating to Mortgage and Assignment Granted by the Lessor to the Secured Party under Section 16.1. The provisions of the following Sections 21 through 25 are intended for the benefit, and apply to the Secured Party. Part II of this Agreement is hereinafter for convenience referred to as the "Mortgage" and includes Sections 21 through 25 of this Agreement.

SECTION 21. COVENANTS AND WARRANTIES OF THE LESSOR.

The Lessor covenants, warrants and agrees with and for the benefit of the Secured Party but not with or for the benefit of the Lessee, as follows:

21.2. Warranty of Title. The Lessor has the right, power and authority under the Trust Agreement to grant a security interest in the Collateral as described in Divisions I and II of Section 16.1 hereof to the Secured Party for the uses and purposes set forth in Section 16.1 hereof; and the Lessor will warrant and defend the title to the Collateral against all claims and demands of persons claiming by, through or under the Lessor (excepting only the right, title and interest of the Lessee under the Lease and of persons claiming by, through or under the Lessee).

21.3. Further Assurances. Any and all property described or referred to in the granting clauses hereof which is hereinafter acquired shall ipso facto, and without any further conveyance, assignment or act on the part of the Lessor or the Secured Party become and be, subject to the security interests herein granted as fully and completely as though specifically described herein, but nothing in this Section 21.4 contained shall be deemed to modify or change the obligation of the Lessor under Section 21.3 hereof.

21.5. Recordation and Filing. The Lessor will cause this Agreement and all supplements hereto and all financing and continuation statements and similar notices required by applicable law, at all times to be kept, recorded and filed at its own expense in such manner and in such places as may be required by law in order fully to preserve and protect the rights of the Secured Party hereunder, and will at its own expense furnish to the Secured Party promptly after the execution and delivery of this Agreement an opinion of counsel stating that in the opinion of such counsel this Agreement or such supplement, as the case may be, has been properly recorded or filed for record so as to make effective of record the security interest intended to be created hereby.

21.6. Modifications of the Sections 1 through 20. The Lessor will not:

(a) declare a default or exercise the remedies of the Lessor under Section 14 hereof, or terminate, modify or accept a surrender of, or offer or agree to any termination, modification, surrender or termination of any rights, duties or obligations of the Lessee under Sections 1 through 20 of this Agreement (except as otherwise expressly provided herein) or by affirmative act consent to the creation or existence of any security interest or other lien to secure the payment of indebtedness upon the leasehold estate created by the Lease or any part thereof; or

(b) receive or collect or permit the receipt or collection of any rental payment under Section 2 or Section 11 hereof prior to the date for payment thereof provided for by the Lease or assign, transfer or hypothecate (other than to the Secured Party hereunder) any such rent payment then due or to accrue in the future except that this restriction shall not apply to the initial installment of Periodic Rent under Section 2 hereof; or

(c) sell, mortgage, transfer, assign or hypothecate (other than to the Secured Parties hereunder) its interest in the Equipment or any part thereof or in any amount to be received by it from the use or disposition of the Equipment.

21.7. Power of Attorney in respect of the Lease. Lessor does hereby irrevocably constitute and appoint the Secured Party its true and lawful attorney with full power of substitution for it and in its name, place and stead, to ask, demand, collect, receive, receipt for, sue for, compound and give acquittance for any and all rents, income and other sums which are assigned under Division II of Section 16.1 hereof to the Secured Party with full power to settle, adjust or compromise any claim thereunder as fully as the Lessor could itself do, and to endorse the name of the Lessor on all commercial paper given in payment or in part payment thereof, and in its discretion to file any claim or take any other action or proceedings, either in its own name or in the name of the Lessor or otherwise, which the Secured Party may deem necessary or appropriate to collect any and all such sums which may be or become due or payable under the Lease or which may be necessary or appropriate to protect and preserve the right, title and interest of the Secured Party in and to such rents and other sums and the security intended to be afforded hereby.

SECTION 22. RELEASE OF PROPERTY.

So long as no default referred to in Section 14 hereof has occurred and is continuing, the Secured Party shall execute a release in respect of (i) any Item of Equipment designated by the Lessee for settlement pursuant to Section 11 hereof upon receipt from the Lessee of written notice designating the Item of Equipment in respect of which the lease term will terminate and the receipt from the Lessee of the Casualty Value payment for such Item of Equipment in compliance with Section 11 hereof, or (ii) any Item of Equipment purchased by the Lessee pursuant to Section 6 of the Acquisition Agreement upon receipt from the Lessee of the total amount of the purchase price provided for by clause (iii) of Section 6 of the Acquisition Agreement.

SECTION 23. APPLICATION OF ASSIGNED RENTALS AND CERTAIN OTHER MONIES RECEIVED BY THE SECURED PARTY.

23.1. Application of Rents. As more fully set forth in Division II of Section 16.1 hereof the Lessor has hereby granted to the Secured Party a security interest in rents, issued, profits

income, and other sums due and to become due from the Lessee under this Agreement in respect of the Equipment in which an interest has been granted to the Secured Party as security for the Notes. So long as no event of default as defined in Section 24 hereof has occurred and is continuing:

(a) The amounts from time to time received by the Secured Party which constitute payment of the installments of Periodic Rent under the Lease shall be applied first, to the payment of the installments of principal and interest on the Notes which have matured or will mature on or before the due date of the installments of Periodic Rent which are received by the Secured Party, and then the balance, if any, of such amounts shall be paid to or upon the order of the Lessor; and

(b) The amounts from time to time received by the Secured Party which constitute settlement by the Lessee of the "Casualty Value" for any Item of Equipment pursuant to Section 11 hereof shall be paid and applied on the Notes of the Secured Party, all in such manner and in such amounts so that after giving effect to such application and the release of the Item of Equipment from this Agreement:

(i) The aggregate principal amount remaining unpaid on the Notes does not exceed the "Present Value of Rents" as hereinafter defined in respect to all other Equipment securing such Notes which then remains subject to this Agreement; and

(ii) Each of the remaining installments of the Notes shall be reduced in the proportion that the principal amount of the prepayment bears to the unpaid principal amount of the Notes immediately prior to the prepayment.

Any amounts in excess of the "Present Value of Rents" as hereinafter defined in respect of any Item of Equipment for which settlement is made by the Lessee pursuant to Section 11 hereof shall be released to or upon the order of the Lessor;

(c) The amount received by the Secured Party which constitutes payment of the purchase price of the Equipment pursuant to Section 6 of the Acquisition Agreement shall be

applied first, to the payment of the outstanding principal amount of the Notes, plus accrued interest thereon, but without premium, and the balance, if any, of such amount, shall be paid to or upon the order of the Lessor.

23.2. Multiple Notes. If more than one Note is outstanding at the time any application is made pursuant to Section 23.1, the application shall be made on all outstanding Notes ratably in accordance with the principal amount remaining unpaid thereon and on the installments of each Note outstanding in the manner provided for by paragraphs (a) and (b) of Section 23.1.

23.3. Present Value of Rent. The term "Present Value of Rents" for any Item of Equipment shall mean as of any date an amount equal to the aggregate Periodic Rent in respect of such Item (after deducting from the 2nd installment of Periodic Rent an amount equal to 1.550% of the total cost of such Item and from the 3rd installment of Periodic Rent an amount equal to .41035% of the total cost of such Item) reserved for the balance of the term originally provided for in the Lease and remaining unpaid as of the close of business on such date, discounted on the basis of an 8.625% per annum interest factor compounded semiannually to the respective dates on which the Periodic Rent is payable, with all such discounts to be computed on the basis of a 360-day year of twelve 30-day months.

23.4. Default. If an event of default referred to in Section 24 hereof has occurred and is continuing, all amounts received by the Secured Party pursuant to Section 16.1 hereof shall be applied in the manner provided for in Section 24 hereof in respect of proceeds and avails of the Collateral.

SECTION 24. DEFAULTS AND OTHER PROVISIONS.

24.1. Events of Default. The term "event of default" for all purposes of this Part II and the enforcement by the Secured Party of rights and remedies against the Lessor shall mean one or more of the following:

(a) Default in payment of an installment of the principal of, or interest on, any Note when and as the same shall become due and payable, whether at the due date thereof or at the date fixed for prepayment or by acceleration or otherwise, and any such default shall continue unremedied for 10 calendar days; or

(b) Any "event of default" as set forth in Section 14 hereof; or

(c) Default on the part of the Lessor or the Agent in the due observance or performance of any covenant or agreement to be observed or performed by either the Lessor or said Agent under this Mortgage or the Loan Agreement, and such default shall continue unremedied for 30 calendar days; or

(d) Any representation or warranty made herein or in the Loan Agreement or in any report, certificate, financial or other statement furnished in connection with this Agreement or the Loan Agreement, or the transactions contemplated thereby shall prove to be false or misleading in any material respect; or

(e) Any claim, lien or charge (other than the rights and interests of the Lessee and liens, charges and encumbrances which the Lessee is obligated to discharge under Section 9 hereof) shall be asserted against or levied or imposed upon the Equipment which is prior to or on a parity with the lien of the Secured Party under this Agreement, and such claim, lien or charge shall not be discharged or removed within 30 calendar days after written notice from the Secured Party or the holder of any Note to the Lessor and the Lessee demanding the discharge or removal thereof.

24.2. Secured Party's Rights. The Lessor agrees that when an "event of default" as defined in Section 24.1 hereof has occurred and is continuing, but subject always to Section 26 hereof, the Secured Party shall have with respect to the Collateral assigned to it pursuant to Divisions I, II and III of 16.1 hereof, the rights, options, duties and remedies of a secured party, and the Lessor shall have the rights and duties of a debtor, under the Uniform Commercial Code (regardless of whether such Code or a law similar thereto has been enacted in a jurisdiction wherein the rights or remedies are asserted) and without limiting the foregoing the Secured Party may exercise with respect to the Collateral assigned to it pursuant to Divisions I, II and III hereof, any one or more or all, and in any order, of the remedies hereinafter set forth, it being expressly understood that no remedy herein conferred is intended to be exclusive of any other remedy or remedies; but each and every remedy shall be cumulative and shall be in addition to every other remedy given herein or now or hereafter existing at law or in equity or by statute.

(a) The Secured Party may, by notice in writing to the Lessor declare the entire unpaid balance of the Notes payable to it to be immediately due and payable; and thereupon all such unpaid balance, together with all accrued interest thereon, shall be and become immediately due and payable;

(b) Subject always to the then existing rights, if any, of the Lessee under this Agreement, the Secured Party personally or by agents or attorneys, shall have the right (subject to compliance with any applicable mandatory legal requirements) to take immediate possession of the Collateral granted to the Secured Party, or any portion thereof, and for that purpose may pursue the same wherever it may be found, and may enter any of the premises of the Lessor, with or without notice, demand, process of law or legal procedure, and search for, take possession of, remove, keep and store the same, or use and operate or lease the same until sold;

(c) Subject always to the then existing rights, if any, of the Lessee under this Agreement, the Secured Party may, if at the time such action may be lawful and always subject to compliance with any mandatory legal requirements, either with or without taking possession and either before or after taking possession, and without instituting any legal proceedings whatsoever, and having first given notice of such sale by registered mail to the Lessor once at least ten days prior to the date of such sale, and any other notice which may be required by law, sell and dispose of the Collateral or any part thereof, at public auction to the highest bidder, in one lot as an entirety or in separate lots, and either for cash or on credit and on such terms as the Secured Party may determine, and at any place (whether or not it be the location of the Collateral or any part thereof) designated in the notice above referred to. Any such sale or sales may be adjourned from time to time by announcement at the time and place appointed for such sale or sales, or for any such adjourned sale or sales, without further published notice, and the Secured Party or the holder or holders of the Notes, or of any interest therein, may bid and become the purchaser at any such sale;

(d) The Secured Party may proceed to protect and enforce this Security Agreement and said Notes by suit or suits or proceedings in equity, at law or in bankruptcy, and whether for the specific performance of any covenant or agreement herein contained or in execution or aid of any power herein granted; or for foreclosure hereunder, or for the appointment of a receiver or receivers for the mortgaged property or any part thereof, or, subject to the provisions of Section 26 hereof, for the recovery of judgment for the indebtedness hereby secured or for the enforcement of any other proper legal or equitable remedy available under applicable law;

(e) Subject always to the then existing rights, if any, of the Lessee hereunder, the Secured Party may proceed to exercise all rights, privileges and remedies of the Lessor under Sections 1 through 20 of this Agreement, and may exercise all such rights and remedies either in the name of the Secured Party or in the name of the Lessor for the use and benefit of the Secured Party.

24.3. Acceleration Clause. In case of any sale of the Collateral, or of any part thereof, pursuant to any judgment or decree of any court or otherwise in connection with the enforcement of any of the terms of this Mortgage, the principal of the Notes, if not previously due, and the interest accrued thereon, shall at once become and be immediately due and payable; also in the case of any such sale, the purchaser or purchasers, for the purpose of making settlement for or payment of the purchase price, shall be entitled to turn in and use the Note and any claims for interest matured and unpaid thereon, in order that there may be credited as paid on the purchase price the sum apportionable and applicable to the Notes including principal and interest thereof out of the net proceeds of such sale after allowing for the proportion of the total purchase price required to be paid in actual cash.

24.4. Waiver by Lessor. The Lessor covenants that it will not at any time insist upon or plead, or in any manner whatever claim or take any benefit or advantage of, any stay or extension law now or at any time hereafter in force, nor claim, take, nor insist upon any benefit or advantage of or from any law now or hereafter in force providing for the valuation or appraisal of the Collateral or any part thereof, prior to any sale or sales thereof to be made pursuant to any provision herein contained, or to the decree, judgment or order of any court of competent jurisdiction; nor, after such sale or sales, claim or exercise any right under any statute now or hereafter made or enacted by any state or otherwise to redeem the property so sold or any part thereof, and hereby expressly waives for itself and on behalf of each and every person, except decree or judgment creditors of the Lessor acquiring any interest in or title to the Collateral or any part thereof subsequent to the date of this Agreement, all benefit and advantage of any such law or laws, and covenants that it will not invoke or utilize any such law or laws or otherwise hinder, delay or impede the execution of any power herein granted and delegated to the Secured Party, but will suffer and permit the execution of every such power as though no such power, law or laws had been made or enacted.

24.5. Effect of Sale. Any sale, whether under any power of sale hereby given or by virtue of judicial proceedings, shall operate to divest all right, title, interest, claim and demand whatsoever, either at law or in equity, of the Debtor in and to the property sold shall be a perpetual bar, both at law and in equity, against the Debtor, its successors and assigns, and against any and all persons claiming the property sold or any part thereof under, by or through the Lessor, its successors or assigns (subject, however, to the then existing rights, if any, of the Lessee under the Lease).

24.6. Application of Sale Proceeds. The purchase money proceeds and/or avails of any sale of the Collateral, or any part thereof, and the proceeds and the avails of any remedy under this Section 24 shall be paid to and applied as follows:

(a) To the payment of costs and expenses of foreclosure or suit, if any, and of such sale, and of all proper expenses, liability and advances, including legal expenses and attorneys' fees, incurred or made hereunder by the Secured Party, or the holder or holders of the Note secured by such Collateral, and of all taxes, assessments or liens superior to the lien of these presents, except any taxes, assessments or other superior lien subject to which said sale may have been made;

(b) To the payment to the holder or holders of the Notes secured by such Collateral of the amount then owing or unpaid on such Notes for principal and interest;

(c) To the payment of the surplus, if any, to the Lessor, its successors and assigns, or to whomsoever may be lawfully entitled to receive the same.

24.7. Discontinuance of Remedies. In case the Secured Party shall have proceeded to enforce any right under this Security Agreement by foreclosure, sale, entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely, then and in every such case the Lessor, the Secured Party and the holders of the Notes involved shall be restored to their former positions and rights hereunder with respect to the property subject to the security interest created under this Agreement.

24.8. Cumulative Remedies. No delay or omission of the Secured Party or of the holder of any Note to exercise any right or power arising from any default on the part of the Lessor, shall

exhaust or impair any such right or power or prevent its exercise during the continuance of such default. No waiver by the Secured Party, or the holder of any Note of any such default, whether such waiver be full or partial, shall extend to or be taken to affect any subsequent default, or to impair the rights resulting therefrom except as may be otherwise provided herein. No remedy hereunder is intended to be exclusive of any other remedy but each and every remedy shall be cumulative and in addition to any and every other remedy given hereunder or otherwise existing; nor shall the giving, taking or enforcement of any other or additional security, collateral or guaranty for the payment of the indebtedness secured under this Agreement operate to prejudice, waive or affect the security of this Agreement or any rights, powers or remedies hereunder, nor shall the Secured Party or holder of any of the Notes be required to first look to, enforce or exhaust such other or additional security, collateral or guaranties.

SECTION 25. LIMITATIONS ON LIABILITY OF LESSOR, AGENT AND TRUSTOR TO THE SECURED PARTY.

Anything in this Agreement, the Loan Agreement, the Notes, any certificate, opinion or document of any nature whatsoever to the contrary notwithstanding, either the Secured Party, the holder of any Note, nor the successors or assigns of any of said persons, shall have any claim, remedy, or right to proceed (at law or in equity) against the Lessor in their respective individual capacities or against the Trustor or United States Leasing International, Inc., the Agent, for the payment of any deficiency or any other sum owing on account of the indebtedness evidenced by the Notes or for the payment of any liability resulting from the breach of any representation, agreement or warranty of any nature whatsoever, from any source other than the Collateral, including sum due and to become due under this Agreement; and the Secured Party by its acceptance of this Agreement and the holders of the Notes by acceptance thereof waive and release any liability of the Lessor in their respective individual capacities, the Trustor and the Agent for and on account of such indebtedness or such liability and the Secured Party, and the holders of the Notes agree to look solely to the Collateral for the payment of said indebtedness or the satisfaction of such liability; provided, however, nothing herein contained shall limit, restrict or impair the rights of the Secured Party under this Agreement to accelerate the maturity of the Notes upon a default hereunder; to bring suit and obtain a judgment against the Lessor on the Notes (provided that neither the Lessor in their respective individual capacities nor the Trustor nor the Agent shall have any personal liability on any such judgment and the satisfaction thereof shall be limited to the Collateral) or to foreclose the lien of this Agreement or otherwise realize upon the Collateral.

PART III

Miscellaneous Provisions Relating to Limitations on the Liability of the Lessor and the Agent, Notices, Governing Law, and Other Matters.

SECTION 26. LIMITATIONS ON LIABILITY OF THE LESSOR TO THE LESSEE.

It is expressly understood and agreed by and between the parties hereto, anything herein to the contrary notwithstanding, that each and all of the representations, covenants, undertakings and agreements herein made on the part of the Lessor, while in form purporting to be the representations, covenants, undertakings and agreements of the Lessor are nevertheless each and every one of them made and intended not as personal representations, covenants and undertakings and agreements of them or for the purpose or with the intention of binding them personally, but are made and intended for the purpose of binding only the Trust as that term is used in the Trust Agreement; such Trust is the Lessor hereunder, and this Agreement is executed and delivered by the Lessor, not in their own right but solely in the exercise of the powers conferred upon them as such Trustees; and no personal liability or personal responsibility is assumed by nor shall at any time be asserted or enforceable against such persons or the Agent on account of this Agreement or on account of any representation, covenant, undertaking or agreement of such persons or the Agent in this Agreement contained, either expressed or implied, all such personal liability, if any, being expressly waived and released by the Lessee herein and by all persons claiming by, through or under said Lessee; excepting, however, that the Lessee or any person claiming by, through or under it, making claims hereunder, may look to said Trust for satisfaction of the same.

SECTION 27. MISCELLANEOUS.

27.1. Successors and Assigns. Whenever any of the parties hereto is referred to, such reference shall be deemed to include the heirs, executors, administrators, successors and assigns of such party, and all the covenants, premises and agreements in this Agreement contained by or on behalf of any of the parties thereto, shall bind and inure to the benefit of the respective heirs, executors, administrators, successors and assigns of such party whether so expressed or not.

27.2. Partial Invalidity. The unenforceability or invalidity of any provision or provisions of this Agreement shall not render any other provision or provisions herein contained unenforceable or invalid.
